

# **GOLF BALL CLASSIC IV AND BOWLING PIN SHOOT**

**APRIL 26, 2015**

I was a little disappointed in the number of participants, but could not complain at the level and spirit of competition. Both the rimfire rifle match and the bowling pin shoot showed that some of our shooters have worked hard over the winter to step up their game.

We had only six shooters fighting the wind in the Golf Ball Classic. They were:

1. Steve Misencik 10-22
2. Mike Goss 40X
3. Eb Spink CZ
4. Jeb Baird 40X
5. Kellye Remson 40X
6. Tim Courtney 40X

Almost all (not me) the competitors advanced to the second round. At that point, Steve Misencik jumped out to an insurmountable lead and won the match. I would like to point out that Steve was shooting a Ruger 10-22 – a much refined version, but a 10-22 none the less. Oh, the shame and ignominy...it will be hard to convince my Remington to ever get out of the safe again.

The Bowling Pin Match had twelve shooters gunning for glory. As usual, it was a lot of fun and the competition was heated. There was a good mix of semi-autos and revolvers, with the semi-autos edging out the winning positions. The winners were:

1. Mike Goss 17.95 seconds (0.90 seconds per pin)
2. Jeb Baird 19.71 seconds (0.99 seconds per pin)
3. Vince Law 20.88 seconds (1.04 seconds per pin)

There were four shooters knotted together in a four second span following the top three. This is just an indicator of how competitive this has become,

with everyone working to improve their times. Welcome to a new shooter, Steve Horn. We hope you come back.
