

MAY NEWSLETTER

This year's annual club meeting, usually held in June, will be held May 31, 2014, at the range. The date was changed to facilitate attendance by as many of the current club officers as possible.

Unlike years past, in which a mass raffle was held and tickets sold in the month(s) prior to the meeting, this year will be completely different. Yes, there will be drawing; but all chances for winning will be sold AT THE MEETING. This means that a club member or their guest will be the recipient of the prizes. The reasoning behind this will be discussed during the business meeting. In addition to the raffle, there will be "door prizes" for the attendees.

As in years past, we combine the annual meeting with a cook-out. This consists of a steak supper – basic steak, baked potato, salad, bread, condiments, and cold beverages. The cost of this dinner, and I can assure everyone that it is a bargain, is \$15 per person. This is limited to club members and a guest. If you plan to attend, and I strongly urge all members to attend, you can RSVP and pre-pay for the meal prior to May 26 at The Sure Shot. This gives us time to make sure we have enough food and drink on hand for everyone.

The itinerary is planned as follows:

1. Social gathering begins at approximately 4:30 PM
2. Dinner will be ready by 5:30 PM. Steaks cooked to your preference.
3. Business meeting and elections begin after eating.
4. Drawing will follow.

I once again encourage everyone to attend and to bring your wallets and checkbooks. The only way you can have a voice in the way your club is run, the direction it takes, or prioritize projects, is to attend this meeting and vote. I look forward to meeting many of the new members and hearing from some of the prior members.

On a different note, the bowling pin match is a great success. We have a great time, had two new shooters and would like to have more. We discussed a

rimfire rifle match prior to the last pin match and now I just have to make it happen. This ought to be entertaining...
