Please read through this carefully because there is a lot of important information regarding club events. The next Bowling Pin Match is scheduled for Sunday, May 17 at 2 PM. We have re-scheduled the rimfire rifle match (Golf Ball Classic V) from May 24 at 2PM to May 31 at 2PM to keep from interfering with anyone's Memorial Day holiday plans. I apologize for any inconvenience.

Our annual club meeting and dinner has been scheduled for June 6, 2015. The major change this year is that the meeting will not be held at the range. Daniel Champion has been gracious enough to allow us to use the pavilion at his farm on the Coke Ranch Road. It is covered, so rain or shine, we will be in good shape as far as comfort goes. Another change is the cost to members for the dinner. Our long time supplier in Dadeville has gone away, but the New Site Foodland has agreed to step up for the club. The cost this year will be \$17.00 per member or \$34.00 for member plus one. As usual, the club will provide liquid refreshments. At any time in May you can drop by The Sure Shot and sign up and pay for the dinner. We will need a firm count on the number of participants by June 1. After that date, there are no guarantees as to whether the dead cow provider can react to any changes.

As with last year, there will be raffle tickets available at the dinner only. No firm decision has been made on the prize, but it will be a good one. If you have any questions or comments, please contact me or Woody. I want to assure all members that the club loses money on the annual dinner. We started and continue it as an incentive to get as many members, new and old, to turn out, to

see who runs their club on a day to day basis and to provide their input as to the direction the club takes in the future.

I told you there was a pile of information headed your way! As your secretary I try not to overburden your e-mail with trash, but this is all relatively need to know.

I urge each and every club member to get involved in the push to the 2016 Presidential Election. I don't think this country can afford another four or eight years with a Democrat at the helm, even as a lame duck. I don't want to get started on Hillary Clinton. Let it suffice to say that she could give Long Johns lessons in slimy – and Long Johns are the slimiest thing I have ever tried to put on a hook.

Memorial Day is on Monday, May 25, and as we celebrate, please give pause to remember *what* we are celebrating. I believe Sir Winston Churchill summed it up quite well when speaking of the Royal Air Force (RAF) pilots that successfully defended his country during the Battle of Britain. "Never have so many owed so much to so few." I think this holds true to our country as well. Let's take time to remember all of ours, past and present, which have proudly worn the uniform of the United States. Untold thousands in nearly 250 years our history encompasses have made the ultimate sacrifice. Let us remember them.

See you at the range!
