

SEPTEMBER 2017 NEWSLETTER

The first order of business is a reminder about club dues. As noted in August, annual dues and fees were due and payable August 1, 2017. To avoid late penalties, dues must be paid prior to October 1, 2017. After 10/1, a \$15 late penalty will be charged for all dues. The combination for the gate will be changed 10/1. If your dues are not paid, you will not have access.

The changes at your club should be imminently obvious to everyone. New concrete, new sheds, better parking, and more to come. The rifle benches will be aligned with the bays on the shed and more benches added. New benches will be constructed on Range B. Please notice that the new shed supports are forward of the firing line and use the utmost caution to avoid any damage. Simply put – **DON'T SHOOT THE POSTS!**

I encourage all our computer active members to become eligible for our Facebook page. It is a closed group, but your club membership should assure you access. All match scores, match dates, and relevant news appears on this page far faster than anywhere else. The advantages of social media! The dates of all September events have already been posted there, but in the event that you have not seen them:

STEEL CHALLENGE 9/10 @ 2PM

BOWLING PINS 9/17 @ 2PM

GOLF BALLS 9/24 @ 4PM

As I have always stated – and would like to emphasize – COME SHOOT! We are a family friendly, beginner friendly club. Do not be intimidated. Everybody starts somewhere. Everyone, at some point, in some aspect, was a beginner. There will be guns and ammo (and lots and lots of advice) available. All that is missing is YOU.

The hurricane in Texas has proven that our country is not the divided, corrupt, riotous mess that the mainstream media would have you believe. When the chips were down, when the absolute worst reared its' ugly head, the people that bind this country together hitched up their jeans, hooked up their boats, loaded up their pickups, put on their uniforms, put on their boots, kissed their wives – or husbands – and went to help. I don't know about you, but I am proud – SO DAMN PROUD – of the way our people, your people, common everyday Americans have pulled together in the face of adversity. I sit here with tears rolling down my face like a fool...but, funny – I don't feel like a fool.

Those who make you believe absurdities, can make you commit atrocities.
