

# **OCTOBER 2018 NEWSLETTER**

**October...and still no sign of fall. Short term projections show temperatures holding in the low 90 degree range, so I am not putting up my shorts yet. We are tentatively discussing scheduling a work day for the club in early to mid-November - hopefully we get a break before then.**

## **SCHEDULE OF EVENTS FOR OCTOBER**

**OCTOBER 7 STEEL CHALLENGE Register by PractiScore, starts at 1:30 PM**

**OCTOBER 14 BOWLING PIN MATCH Starts at 2PM, \$10 per gun. LAST MATCH OF THE YEAR!! Knock Jonny Boy off his pedestal!**

**OCTOBER 21 GOLF BALL MATCH 100 yard event starts @ 2PM. 200 yard event follows immediately. \$10 per gun per event.**

**A couple of non-club related events are taking place during October that might interest some of our members. The Alabama Gun Collectors Association Fall Show is scheduled for October 13 and 14 at the Hoover Met Complex. In Alexander City, the Tallapoosa County Republican Party is hosting a fundraising dinner at The Mill Two Eighty on October 25. Keynote speaker will be Col. Oliver North (ret.), current president of the NRA. A hero in his own right, this could be a once in a lifetime chance to hear him speak locally. Check with Woody at The Sure Shot for tickets.**

**This month, October, is the last month that dues are payable penalty free! Protect your membership!**

**Thanks to everyone that participated in each and all our events this year. Every act of participation is an act of support for your club.**

**Thanks, too, to the volunteers that make everything happen within the**

**club. From officers to match officials, pin setters to score keepers - every one of them is giving freely of their time. Without volunteers, our club, like many others, could not run. Everyone you see working in any of our events does so because they want to help, because this is their club as well. Remember that.**

**The division in our country continues to grow, both deeper and wider. This past week, watching the confirmation hearing of Judge Kavanaugh, only serves to reinforce that fact. I stated prior to President Trump naming his nominee to the Supreme Court, that whoever it was, regardless of race, gender, or religious affiliation, they and their family best be prepared for a level of character assassination they could not imagine. It turns out that the level of calculated corruption was beyond what any decent person could have imagined. Too many holes, too many unsubstantiated facts, too much song and dance...if the Democratic Party really think they helped themselves in any fashion, they are sadly mistaken. Senator Feinstein should be ashamed to look in a mirror. Senator Jeff Flake (R) of Arizona should be equally ashamed. The Obama war on our country continues, albeit with his shadow warriors. Once again, it is up to the "Silent Majority" to flex their muscle.**
