

SEPTEMBER 2021 NEWSLETTER

The first order of business is to remind everyone of their annual dues. As the notice that went out last month stated, they are now payable and will be considered past due after OCTOBER 31. Past due accounts have penalties. Annual dues remain \$75.00 and \$20.00 for Life Members. Dues can be paid at The Sure Shot by check or cash (no cards) or mailed to ACSC PO Box 177 Alexander City, AL 35010. Membership in our club is a bargain.

We are ironing out the details of an annual meeting / dinner. As the details become clearer, I will keep you advised. At this point, it will be a pay-to-eat dinner with raffle and meeting to include business, financial statement, and elections. Again, I will keep everyone posted.

BOWLING PIN MATCH

Sept 19 @ 2PM. \$10 per shooter per gun. Eye and ear protection is mandatory for participants and spectators. There will be a safety and procedural walk-thru prior to the match for new shooters. The August match was rained out, and became an actual wash-out. This brought to light even more drainage problems, besides those that exist on Ranges C & D. Let's make up some ground! Come shoot!

GOLF BALLS / RIMFIRE RIFLE MATCH

Sept 26 @ 2PM NOTICE CHANGE OF TIME! 100-yard match begins @ 2PM, 200-yard event follows immediately. \$10 registration per event. Last month was a barn burner! Come shoot!

The challenges within the firearms industry continue to grow. The same supply chain difficulties that plague every industry also plague gun and ammo manufacturers. Although there are beginning to be a few bright spots, they are few. The availability of primers – or lack thereof – continues to be a sore spot for reloaders. I would like to think that this is not deliberate. I really would.

The Biden Administration continues to fumble around with the rights and lives of Americans. Inflation seems to be a grading point – the higher, the better. The jobs report was a disaster but that didn't stop Joe from bragging about it. The same with the airlift from Kabul – an absolute Keystone Cops choreography. Even his pet news services are reporting on the people left behind...but Jen Psaki and Joe Biden are calling it a major military miracle. At what point do our elected Republican representatives – Senators and Congressmen – grow any sign of a backbone? The final straw, to me, was the show of disrespect to our deceased soldiers at Dover AFB – and then again by Speaker Pelosi by refusing to allow the thirteen names of the servicemen killed in Kabul from being read on the House floor.
