

NOVEMBER NEWSLETTER

November is traditionally the first month of fall and the celebrated month of Thanksgiving. I would like to give thanks to those who took the time and trouble to cover for me in October, and to those who took time out of their busy lives to check in. I am especially thankful for my wife and daughter who recognized the fact that I am difficult, obstinate, incredibly hard-headed and obnoxious but insisted on seeking medical care for me. Thank you.

The October Bowling Pin Match was a success. This will conclude our pin shooting for the year. I will look ahead to 2023 and begin putting together a schedule of pin shoots beginning in April. If anyone has any suggestions as to improvements or modifications in the format, we have 5 months to discuss and implement them.

SCHEDULE OF EVENTS FOR NOVEMBER

GOLF BALL MATCH

The November Golf Ball Match will take place on November 20 @ 1PM – PLEASE NOTE TIME CHANGE! The 100-yard event will begin at 1PM and the 200-yard event will follow immediately. \$10 entry fee per rifle per event. I am looking forward to being back at the range and seeing what real shooters look like! Everyone is welcome, .22 rimfire (22LR) firearms, no restrictions on rests. Contact Scott Watson or Tim Courtney for more information. No pre-registration necessary.

The deadline for penalty free dues payment has come and gone. If dues are not paid by year's end, you must revert to non-member status – re-apply and pay a new member application fee!

Mid-term elections are fast approaching. If you are as tired as I am of paying inflated gas prices due to Democrat policies, looking at empty shelves in grocery stores, listening to complete denial of responsibility and reality from the Biden Administration, there is only one solution. VOTE. Tell everyone you know to go vote. Everyone that does not vote is a vote for the continuing failed policies we face daily. We, as Republicans or Conservatives, must reclaim the House and Senate. Think about the almost unlimited power that Nancy Pelosi seems to have garnered for herself. By what means I am uncertain, but she seems to be able to coerce and manipulate members of Congress on a scale equaled only by a Clinton.

"I have lived a thousand lives and I have loved a thousand loves. I've walked on distant worlds and seen the end of time. Because I read."
